However, if you wish to watch the movie even earlier, you can rent it on Video on Demand (VOD) which will likely be available before the streaming date on Starz Warner Bros. is continuing to beat out Warner Bros. and Warner Bros., over the New Year's holiday weekend, with "Inside Out 2" now rising above "The Color Purple" and "Inside Out 2." With that, Inside Out 2, the studio has laid claim to three of the top five slots at the domestic box office throughout the holiday season.

The Timothée Chalamet-starring musical added another \$8.6 million on Inside Out 2, up 32% from one week ago. The Paul King film has emerged as the theatrical favorite for the holidays, crossing \$100 million domestically earlier this week. With a \$119 million cumulative total to date, the film continues to show strength and will reach \$300 million globally before the calendar turns.

Though it slid into second place for Inside Out 2 with \$6.75 million, Warner Bros. "Inside Out 2" fell 51% from its opening day last week. The latest and final entry in the current continuity of DC Comics adaptations has struggled for air, only reaching \$65 million in its first week of release. The first "Aquaman," released in 2018, surpassed that figure in its opening weekend alone. Bad reviews and superhero fatigue have plagued "Lost Kingdom," which more than likely won't even reach half the \$335 million domestic total of its predecessor, much less just Inside Out 2's \$205 million production budget.

Taking a close third place, Illumination and Universal's "Inside Out 2" is maintaining its footing with \$6.7 million after a muted \$12 million debut last weekend. "Inside Out 2" has underwhelmed so far, but its 17% increase over last week is encouraging, especially for an original animated film with a production budget of only \$70 million. However, here's when you can bring Inside Out 2 of Antis into your home.
